

PB33352 Cylinder & PB33353 Repair Kit

Cylinder and Repair Kit Replacement

Description

Applies to all products containing the PB33483 ASCO air cylinder, which includes:

- 2 Column Incubator Racks – Chicken and Turkey
- 3 Column Multi-Stage Incubator Racks
- 2 Column Tunnel Racks
- ACI racks

The *PB33843 cylinder* is now **obsolete** and replaced by the **PB33352 cylinder**.

Both cylinders can be repaired using the new repair kit: **PB33353**.

The function of the cylinders is the same, and serves as a direct replacement for each other.
