

Platinum 2.0 Incubators

Cabinet Configurations

Jamesway incubators come in 4 configurations as follows:

- Basic – 4 walls
- Side Add on – 3 walls; attaches to basics or other SAO cabinets to share a side wall
- End Add On – 3 walls; attaches to a Basic to share the rear wall
- Corner Add On – 2 walls; attaches to a EAO to share a side wall and a SAO to share the rear wall

Note: Hatchers come in only 2 configurations, Basic and SAO.
